The Minky Microfibre Multi-Purpose Cloth is made from super soft fibres, leaving a streak free finish every time. Suitable for all surfaces, the microfibres hold and trap the dust without releasing it in the air giving a better cleaning performance than traditional cloths, without the need for chemicals.

PRODUCT CARE: Machine or hand wash at 60°C.
WARNING: Rinse and test on inconspicuous area before use.
Do not use conditioner or bleaches as they may affect the cloth's performance. Wash with similar colours.
