MANUFACTURERS OF CLEANING
AND LAUNDRY PRODUCTS
VALE MILL (ROCHDALE) LTD. ROCHDALE

• Longer lasting • With more soap • Removes burnt on food

Minky Stainless Steel Soap Pads are designed to perform better and last longer than average soap pads. As they are rust free they are reusable and do not create the rusty residue that standard soap pads can leave behind. Use on pans, sinks, oven hobs and grills to remove dried & burnt-on food stains.

Instructions: Use with water to help remove tough grease & grime.

PRODUCT CARE: Do not rinse after use. Leave soapy residue on pads when storing away for further use.

WARNING: Test on inconspicuous area first.

Minky products are manufactured to the highest standards to ensure the consistent quality expected from Britain's leading supplier of homecare products.

Minky Homecare, Vale Mill (Rochdale) Ltd, Robinson Street, Rochdale, OL16 1TA
