Fitting instructions	Care instructions
The cover is easily fitted by tucking the broad end of the cover next to the rest and pulling it to hook over the 'nose' of the board, smoothing down all the way. Run a hot steam iron over before first use.	Machine washable at 30°C. Wash separately. Do not bleach. Do not tumble dry. Allow to dry naturally. Never leave a hot iron face down on the cover.

Fits all standard boards in seconds with super tight elastic.
Luxuriously thick felt backing for a smoother, faster finish.
Durable and machine washable
