PRODUCT CARE

Use wet or dry. Hand wash separately in warm soapy water to keep pad clean and fresh. Re-shape whilst damp and allow to air dry. Each pad is individually sewn by machinists, therefore size and shape may vary slightly. There may also be occasional thread ends, these can simply be cut off if required with no damage to the pad.

IMPORTANT

Do not use conditioner or bleaches as they may affect the pads performance or cause colour to leach. Test on an inconspicuous area before use.

Composition: **Front** - 75% Polyester, 14% Polyamide & 11% Polypropylene.
Reverse - 90% Polyester, 10% Polyamide.

This product has been designed and manufactured to the high standards you would expect from Britain's leading producer of homecare products.
