Minky Wash Pads will cut through grease and grime without scratching. Each wash pad contains a non-scratch scouring pad which has been treated with an advanced anti-bacterial and anti-grease formulation.

Longer lasting performance -
say goodbye to unpleasant smelling wash pads.

The anti-grease technology helps to keep the scourer clean by repelling grease, ensuring the scouring pad lasts longer.

The anti-bacterial formulation prevents the growth of bacteria on the scouring pad for a hygienic, germ free clean.

Product Care
For best results use wet with your usual cleaning liquid and rinse thoroughly in warm water before and after each use. Allow to dry naturally, hand wash and replace wash pads regularly.

Important
Test on an inconspicuous area before use.

Don't recycle at home
