**The NEW Minky Microfibre Tear-Off Roll** is a handy, multi-purpose product to use all around the home. Each cloth is durable and long lasting, and when it's time for a refresh, simply tear off a new cloth and start again. The super soft fibres means the cloths can be used on all surfaces and are suitable for daily household tasks. The microfibre traps dirt and dust with ease without releasing them back into the air, ensuring a lint and streak free finish every time.

**Benefits:**

- SAFER FOR THE ENVIRONMENT** - works with just water!
- SAVES MONEY** - washable & reusable!
- OUTSTANDING PERFORMANCE** - powerful high density microfibre!

**Product Care**

Use wet or dry. Hand or machine wash at 40°C to keep cloth clean and fresh. Performs like new after washing. Wash and replace cloths regularly.

**Important**

Do not use conditioner or bleaches as they may affect the cloths performance. Test on an inconspicuous area before use. Wash separately.

**Composition**

87% Polyester, 13% Polyamide.
